

MEDICAL ADMINISTRATIVE ASSISTANT CERTIFICATE

This course is designed to equip student with the necessary skills to effectively work as Medical Front Office Administrative Assistant. Students will learn how to use medical software i.e. (Medisoft Patient software) to enter patient demographics, billing information, procedure, and diagnostic codes. The student will then begin several days of simulations to complete tasks such as: triage, reports, banking, claims, travel arrangements, charting, proofreading, and other critical thinking exercises. This course would be excellent preparation for any front office position in a medical office.
